Working of the Municipal Toll Gate
at Hunsur.

I have the honour to invite kind reference to Government Order No.L.1128-7/MI 116-41-70 dated the 28th May 1942, approving the proposal of the Hunsur Town Municipal Council to lease out on contract the right of collecting the toll in the Municipality during the year 1942-43 and to state that the question of working the toll during next year came up for consideration of the Municipal Council at Their meeting held on 26th April 1943. The resolution of the Municipal Council is to the effect that the right of collecting toll be disposed of in auction as in the current year.

A copy of the resolution of the Municipal Council is in the file. The several difficulties in the way of working toll departmentally are fully explained in this office letter No.D3-C.2954 of 40-41 dated the 10th July 1941 addressed to Government and a copy of the same is herein enclosed for ready reference.

The realisations under toll Revenue during 1942-43 is reported to be Rs.3,060 being the actual bid amount secured and the President expects to realise more during the next year if the right is sold in the open auction

I therefore recommend that the resolution of the Hunsur Town Municipal Council to lease out ~~the toll~~ on

Levy of Toll in Hunsur Town Municipality

With reference to your letter No.L.6299/Ml.150-40-2, dated the 21st February 1941, calling for proposals regarding the above, I have the honour to forward herewith, the file of record ending with report No H C 99 of 40-41 dated the 4th July 1941 of the President, Hunsur Town Municipality. The Bye-laws regarding the levy of Toll together with the connected schedules were published in the Town and objections were invited thereto. As no objections were received, the Municipal Council have resolved at their meeting held on the 17th June 1941, that sanction of Government be obtained to the draft Bye-laws framed by them. They have also resolved that the levy of toll be leased out on contract during the current year.

The financial condition of this Municipality is not satisfactory. The levy of toll has, therefore, to be brought into force immediately. Besides, the Municipal Council have taken into account an income of Rs 2,000/- under Tolls in the Budget Estimates of the Municipality, which has been submitted to Government for sanction. This receipt is expected to be realised by leasing out the right of collecting toll on contract. The Municipal Council have no experience of working it 'amani'. The Municipality has no Chief Officer. The Amildar who is the Ex-Officio president of the Municipality is a touring officer and cannot therefore effectively supervise the work of the Toll-gate keepers. Moreover, the Municipality is not in a position to incur expenditure on the toll establishment. For the

foregoing reasons, I am of opinion, that the Municipality may be permitted to lease out the Toll during the current year.

I request that sanction of Government may be kindly accorded to the draft Bye-laws framed by the Municipal Council, and the Municipality permitted to lease out the right of collecting Toll on contract. As the levy has to be brought into force immediately to improve the resources of the Municipality, I request the favour of very early sanction.
